

Rhetorical Devices in Literature: Similes

Chaw Su Mar Win^{*}

Abstract

Rhetorical Devices or A Lin Gar (အလင်္ကာ) in Myanmar are essential in the creation of literature. By using rhetorical devices, the literary work will become more beautiful, more attractive and more interesting than before. Because of the rhetorical devices, literary work can arouse reader's emotions. The purpose of this research is to compare rhetorical devices in Myanmar with the ones in English. I hope that understanding rhetorical devices will bring many benefits to the language teachers.
